When do we practice? When do we sing?

We practice 45 minutes before a funeral, which are mostly at 11:00am on any day of the week but Sunday. If you have daytime availability and you like to sing, this is a ministry for you.

More Information: This group serves the Our Lady of the Lake Community by providing comforting and beautiful music at funeral masses. We let the power of voices in harmony and the Word bring solace to grieving families. We have a standard repertoire, but we often add to it with special songs.

How do I join? Contact Carol McAndrew cmcandrew@oll.org

When you sign up for this ministry, you will get emails alerting you to the day and time of a funeral. You simply reply to that email indicating whether or not you are available. You will have a folder assigned to you with all of the repertoire that you can keep at home.
