Choir is a leadership ministry that requires the commitment of both the children and parents in order to make it to rehearsals and masses. Please make your best effort of attend, and contact the director, Caroline Monahan if you can't be there. This also affects our weekly pizza order, so please let me know if you will miss. Email is the most efficient way for me to get in touch, should I need to send a reminder or an update, so please indicate a preferred email address above.
