

HELLO!

Greetings Corpus Christi Community,

My name is Sara Sears and I am honored to serve as the Academic Dean for the 2025-2026 school year! I come to you from the Archdiocese of Chicago, where I spent the last 5 years teaching third grade at Epiphany Catholic School and St. Benedict Preparatory School. Before that, I lived in Reno, Nevada, where I taught third and fourth grades for 6 years, collectively at St. Albert the Great Catholic School. In each of my schools, I served on a variety of committees to assist in student and school growth.

I hold a Bachelor of Science in Integrated Elementary Education, with specializations in both elementary and special education. I also received my Master of Arts in Educational Leadership from The University of Notre Dame through the Mary Ann Remick Leadership Program.

My heart and soul is in Catholic education. Some of my favorite moments as an educator are moments that happen outside of the classroom. I hold a special place in my heart and life for all my students, and have been invited to various activities, including high school graduations, Confirmations, and a variety of sporting events. I am excited to experience life with a new group of students both in school and in the surrounding community.

In my free time you can find me at the library or the park with my son, Timothy (or Timmy for short). I also enjoy reading and running, just not at the same time! I am excited to see you all around school, church, and the greater Holland area. If you see me, please don't be shy!

In Christ,

Sara Sears
